

Over half a century of combined expertise in providing innovative solutions for the rail industry

**Eldapoint**

SINCE 1968

An Eldapoint Industries Company

Eldapoint's Relocatable Equipment Buildings (REBs) are designed for the rail industry's unique needs. These robust, weather-resistant units are custom-built, ensuring they meet your exact requirements.

**FIBAFORM.**

GRP SPECIALISTS

An Eldapoint Industries Company

Fibaform's GRP Enclosures are PADS approved and designed for the rail industry. These units offer corrosion resistance and safety in electrified areas, making them ideal for trackside locations

# SYNERGY OF ELDAPOINT AND FIBAFORM IN THE RAIL INDUSTRY

Eldapoint and Fibaform together offer comprehensive solutions for the rail industry. Our combined expertise and product range provide a one-stop solution for your rail infrastructure needs.

## NEW MATERIAL PRODUCT FROM FIBAFORM

Introducing Fibaform's new material, made from 100% P.E.T. recycled material. This eco-friendly solution offers high chemical resistance, dimensional stability, and extends the enclosure lifespan.
